

**AC**  
**CAPITALES SAFI**

**2022**

## **Compliance**

In line with the ethical principles of Grupo Apoyo Consultoría, **AC Capitales SAFI S.A.** has established a Compliance System that defines the guidelines for the rejection and zero tolerance of bribery, corruption, money laundering, financing of terrorism and related crimes. In this regard, it complies with the following:

### 1. Crime Prevention Policy

Document that establishes the principles of action for shareholders, directors, employees, and business partners in the prevention of bribery, corruption, money laundering, financing of terrorism and related crimes:
